1. The following observations were made at Aspern airfield between 1000 and 1300 on 27 October 1954:

One Yak-11 and 28 MiG-15s were parked there. No air activity was conducted. There was a 0/10 overcast, good visibility, and no wind. The runway was marked by white flags along its southwestern edge and 3 devices, apparently glass caps fitted on tubes about 40 cm high at the eastern end. These markings had already been seen there on 11 October. 25X1

The two pits at both sides of the eastern end of the runway were filled. The holes had apparently been about 1.5 meters square.

The AA gun emplacements were not occupied. 25X1

Five tank trucks were observed in the area of the western fuel dump and between the flight control station and the fuel dump.

All the drivers wore black-bordered blue epaulets.

The following motor vehicles were parked in the area of the garage installation:

24 trucks	[REDACTED]	25X1
6 tank trucks,		
4 van-like trucks,		
2 trailers	[REDACTED]	25X1
1 jeep	[REDACTED]	25X1

2. Between 1400 and 1500 on 27 October, the following buildings in the Aspern military post were still occupied by Soviets: No 7 Sieges Platz, eastern cantonment, and No 29 Timpfen Gasse. The other buildings which had previously been occupied by the Soviets were vacated.
3. The following observations were made in the Gross Enzersdorf military post between 0800 and 0930 on 27 October:

Konrad Kaserne. Three trucks [] with drivers wearing black-bordered blue epaulets and each occupied by 20 men wearing the same service color, left the installation.

25X1

25X1

No 156 Kasernen Strasse. The following motor vehicles were parked in the yard of the former home for aged people:

5 trucks [] mounting a searchlight

25X1

3 van-like trucks, 1 radio truck.

An antenna wire was strung from a tree in the yard to a mast which was about 8 meters high. A wire branched off from the antenna and extended to a radio truck [] which was parked under the antenna.

25X1

No 175 Schlösshofer Strasse. Coal was piled up in the yard.

[] Comment. Aspern airfield is believed to be still occupied by a Soviet fighter regiment.
